

SUMMER

DISCOVERY CAMP

THE BANNER
SCHOOL

Preschool - 8th Grade

2021

The Banner School Discovery Camp located near downtown Frederick offers children a fun and educational theme-based camp experience. All of our camps are run by experienced staff with a small camper to counselor ratio to ensure that each camper has fun in a safe environment.

Our camps are open to the public and designed for students who have completed Kindergarten through eighth grade.

A camp schedule is distributed to parents at the beginning of each week so they are aware of the on-site activities and field trips their child will be participating in during their camp experience. We offer a variety of morning, afternoon, or full-day camps.

All camps are priced individually. Some of our specialty camps are priced separately and may require registration through a third party site as indicated. Please review each camp selection before enrolling your child.
