

2023 Banner Discovery Camp Field Trip/Swimming Permission Slip

The Banner Discovery Camp takes part in numerous field trips throughout the summer. These trips include, but are not limited to: the Baker Park pool, local restaurants, historical sites, and many other places, including nearby areas of Virginia or West Virginia. The campers are transported to the destination by The Banner School Bus or we walk as a group. Please sign below to give permission for your child to attend all field trips offered by the Banner School Summer Discovery Camp. All parents will be notified in advance of a field trip. This form must be handed in prior to the start of your child's first session and will remain on file for the remainder of the summer. On field trip days, if your child requires a car seat, please leave it with the camp counselor and make sure that your seat is labeled (first and last names). If you have a concern about a specific field trip, please contact the Camp Director at 301 695 9320 or camp@bannerschool.org. You may change your decision at any time through a written to the summer camp director.
